Capabilities & Credentials

Accordant Federal is a systems integration company specializing in information management solutions.

- Management Consulting Services
- Program Management Support Services
- Data Analytics
- IT Support Services
- Cyber Security

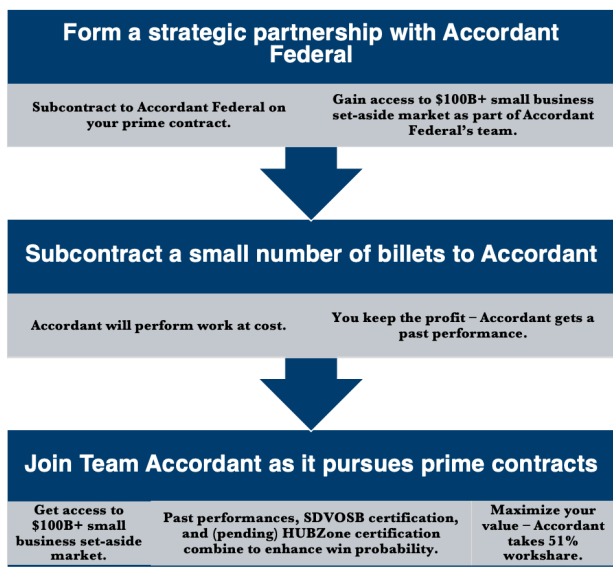

Accordant Federal holds the following certifications and credentials:

The Opportunity

- Larger businesses are shut out of the \$100B+ small business set-aside market.
- Government continuously fails to meet stated goals with respect to SDVOSB and HUBZone set-asides.
- There is a lack of competent, credentialed, technically-oriented small businesses to bridge this gap.

BUSINESS MODEL

Joint Venture

- Accordant Federal is a co-owner in the Joint Venture (JV) Secure Intelligent Solutions.
- Secure Intelligent Solutions offers a deep bench of subject matter experts, business development teams, and experienced proposal writers.
- Secure Intelligent Solutions maximizes capabilities, credentials, and contract win probability for teaming partners.
